The Hellenic Department of Balkan Medical Union organizes an **International Conference on History of Medicine**.

Topic of the Conference: “Ancient Greek and Indian Medicine: Achievements and Interactions”

The Conference will take place on **Tuesday 6th of June 2017**, in **Heraklion, Crete, Greece** at the postgraduate Auditorium of Medical School, University of Crete.

Aim of the conference is to highlight the medical achievements of ancient Greek and Indian medicine, as well as, their interactions and influences through centuries and their impact in the practice of modern medicine.

The Conference is addressed to health professionals, students and to the general public.

The registration and participation at the Conference is **free of charge** and at the end of the Conference a **certificate of attendance** will be given.

Deadline for abstracts’ submission: 17 April 2017.

Official languages of the Conference: English, French.

Abstracts will be submitted in English or French, in a single version (as word file .doc or .docx), up to 400 words, font Times New Roman, size 12 points.

Abstract can be submitted by e-mail at: mariannakaramanou@gmail.com

Attn: Marianna Karamanou, MD, Ph.D, Associate Professor (elected) of History of Medicine, Medical School, University of Crete, Heraklion, Greece,
Tel: (+30) 6973 606804.
